

84-Sports November News

84-Sports - 2033 W. US 40 - Greenfield - IN - 46140 - 317-462-8484 - www.84-Sports.com

Welcome Back!! The indoor practice season is upon us! We're happy to provide you with a safe, clean, friendly environment for your Fall & Winter season. We've made a few "upgrades" that we think you'll like. We've also changed our Waiver form to make things easier reducing paper-work. Be sure your parents see you in order to sign the new "roster style" form. Bring the form with you to your 1st scheduled practice (have parents check in at the Front Desk for the 1st practice please). For those parents unable to attend practices, we've posted our Individual Waiver form on our website. Those parents can download the form and email it to Karen at karenr@serviceengineering.com or fax it to 317-467-2010. For those coaches wanting text reminders for scheduled practices—simply register/login to our website and update your profile by selecting "text reminders". (Karen can assist you with this) We look forward to seeing you soon!!

Use caution in our parking lot! Remember, players are SUPER EXCITED about getting inside for their practice and younger siblings may be running after them unaware of traffic. Let's look out for all of our 84 kids!!

Coach Reminders

- Be courteous & respectful by exiting your field timely. Wrap-up should start with enough time to put away all equipment used. Arriving late doesn't mean staying late.
- Remind ALL players, coaches, assistants, & parents that absolutely NO DRINKS, GUM, CANDY or TOBACCO products are allowed on the turf. It takes ALL of us working together to keep the turf looking like new.
- Players are to hang their equipment bags on the fencing adjacent to their field (outside of the batting cages). NO ball bags are to be staged on the turf. Players may keep their drink bottles on the ledges running along the walls OUTSIDE of the netted areas.
- Remind players to stay off the nets. Leaning on or tugging the nets causes damage. We need your eyes to help keep the nets in good shape.
- Team meetings are welcomed. If hosting a meeting at the end of your practice, use the aisle outside of the stationary batting cages or our porch area. This reduces congestion at the facility entrance.
- Collapse the tunnel and remove all equipment at the end of your practice

Special Offer!
